### **The Federation of Christian Mission Schools Malaysia (FCMSM)**

The Federation of Christian Mission Schools Malaysia (FCMSM), representing all the 25 Mission Authorities in the country, would like to sincerely thank YAB Prime Minister, Tan Sri Dato' Haji Muhyiddin bin Mohd Yassin, for his prompt intervention and facilitating a quick resolution of Convent Bukit Nanas' land lease in the Federal Territory of Kuala Lumpur.

The recognition by the Government of Malaysia for the contributions and sacrifices by Convent Bukit Nanas owners, The Society of Saint Maur, towards national education since 1899 is highly appreciated. Provision of quality education for children in the country has been their mission from the outset. They have been assisted by the Board of Governors and the school communities (alumni, parents, teachers and students).

The Federation would also like to congratulate Lady Superior of the Society of Saint Maur, Theresa Chua, owner of the Convent Bukit Nanas School, for her exemplary service and contributions.

FCMSM hopes the Government of Malaysia will continue to support the humble act of Mission Authorities to exercise their vocation of providing affordable and premium education to Malaysian children. Christian Mission Schools in Malaysia have a long history in the development of and contribution to quality national education.

Once again, FCMSM greatly appreciates the prompt and decisive action of the Prime Minister, his Office and the Government in approving the extension of SMK Convent Bukit Nanas' land lease for a period of 60 years for educational purposes.
